About This Game

You are a savanna's National Park Ranger!

With nature-rich savannah, you must drive a 4WD off-road car and use an anesthetic gun to manage the ecology of animals!

Many animals live in the vast savanna.

Carnivores ... I am scared. It barks and attacks us. But do not shoot at animal's head!

You are a Park Ranger on a friend of justice!

If you look around, many animals run around freely and you will come across a group of zebras and hunting of the lions.

Savanna has its sunny, rainy, sunset, night, rocky, forested, with pond ...! !

Now ... Let's face the world of vast Savannah with abundant nature! !

«Game introduction»

- It is a super wild VR game that drive a car and move closer to the animals living in the savanna, let capture with an anesthesia gun.
- Carnivores will attack what they invade into their territory!
- Use the scope of anesthetic gun, if you aim an animal from a remote place, it is safe without stimulating the animals.

-
- Bullets should never be hit to the heads of animals! Because? You can understand it by playing the game.

«Mode introduction»

■Mission mode

The purpose is to capture specific animals!
All 12 missions!

■Free mode

Let's catch as many animals as possible in time!
Aim for high score!

«Experiential Impressions»

- It really seems to be in savannah, to be healed even just watching animals.
- Driving an off road car and looking for animals is fun!
- Hunting mood with a gun with scope, the best! ! !

Title: SAVANNA SHOT VR
Genre: Action, Casual, Indie
Developer:
SAT-BOX
Publisher:
SAT-BOX
Release Date: 29 May, 2018

b4d347fde0

English,Simplified Chinese,Japanese

A decent game considering its release date. Very simple, something kids would like. In 2016 it would have been okay, a little dated, definitely not worth the asking price of \$15 relative to the competition but something I would pick up for \$5 or less on sale just to collect it as a game.
